Chapter 3. Minimum Standards for Solid Waste Handling and Disposal

Article 6.0. Transfer/Processing Operations and Facilities Regulatory Requirements.

17400. Authority and Scope.

- (a) Articles 6.0, 6.1, 6.2, 6.3, and 6.35 set forth permitting requirements and minimum operating standards for operations and facilities that receive, store, handle, recover, transfer, or process solid waste which are subject to the requirements of these Articles. The regulatory tier requirements of sections 17403 through 17403.9 are not applicable to operations and facilities that are subject to regulations elsewhere in this Chapter, including but not limited to, Article 5.6 (commencing at section 17360); and in Chapter 3.1 (commencing with section 17850). Activities placed within the excluded tier in other parts of this Division, may still be subject to these regulatory requirements.
- (b) These Articles are adopted pursuant to and for the purpose of implementing the California Integrated Waste Management Act of 1989 (Act) commencing with section 40000 of the Public Resources Code, as amended. These regulations should be read together with the Act.
- (c) These Articles implement those provisions of the Act relating to receipt, storage, handling, recovery, transfer, or processing of solid waste. Nothing in these Articles limits or restricts the power of any federal, state, or local agency to enforce any provision of law that it is authorized or required to enforce or administer, nor to limit or restrict cities and counties from promulgating laws which are as strict or stricter than the regulations contained in these Articles. However, no city or county may promulgate laws which are inconsistent with the provisions of these Articles.
- (d) No provision in these Articles shall be construed as relieving any owner, operator, or designee from obtaining all required permits, licenses, or other clearances and complying with all orders, laws, regulations, reports, or other requirements of other regulatory or enforcement agencies, including but not limited to, local health agencies, regional water quality control boards, Department of Toxic Substances Control, California Department of Industrial Relations, Division of Occupational Safety and Health, air quality management districts or air pollution control districts, local land use authorities, and fire authorities.
- (e) No provision in these Enforcement Agency Noti
